

Xpressfill Launched Aug 2007

NEWS RELEASE: Aug 2007

Vigeron Specialty Products selected the Paso Robles Olive Festival to announce the rebranding of their popular line of bottle filling equipment to "XpressFill". The XpressFill Series will focus on the most current microprocessor technology and stainless steel enclosures available at Vigeron. The company also announced the release of their new website, www.XpressFill.com, to be compatible with their all new brand.
